Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

# The Complete Book Of Cheese Bob Brown

The Complete Book Of Cheese

This recording was released to coincide with National Cheese Lovers' Day 2010 in the United States.

Robert Carlton Brown (1886 – 1959), after living thirty years in as many foreign lands and enjoying countless national cheeses at the source, returned to New York and summed them all up in this book.

After majoring in beer and free lunch from Milwaukee to Munich, Bob celebrated the end of Prohibition with a book called Let There Be Beer! and then decided to write another about Beer's best friend, Cheese. But first he collaborated with his mother Cora and wife Rose on The Wine Cookbook, still in print after nearly twenty-five years. This first manual on the subject in America paced a baker's dozen food-and-drink books, including: America Cooks, 10,000 Snacks, Fish and Seafood and The South American Cookbook.
